Subject: RE: Meeting, Atlanta -- Westlake of Calvert City, Ky.
Importance: High

Hi, Bob. Hope you had a great Thanksgiving holiday.

I'm wondering if you have any further information regarding the topic of the meeting that is scheduled for December 12. I know that you had mentioned it would be an update and discussion of efforts at the site in Calvert City. Is that about it, or would you be able to provide a little more information.

Also, I'm required to post Stan's meetings on a public calendar and will need the names and affiliations of all external parties attending. Could you please provide that info to me by Thursday of this week? I'll be out next week, so I'll need to have the information prepared by the end of this week.

Thanks.
